

3rd and 4th Grade E-Day Choices

Directions: Choose at least one activity from each category (for each day we are not in school). Turn in the completed work when we return to school.

Bible	Reading	Writing	Math	Miscellaneous
Spend 20-30 minutes writing a letter to God about everything you want to tell Him.	Read for at least 30 minutes. Write a paragraph telling me about what you read and what happened.	Write a whole page (skip lines) about what you did today. Use details and lots of adjectives!	Work on your Big Ideas Math for 20 minutes.	Bundle up and play in the snow! Can you build a snowman? Go sledding? Make a snow angel? Take a picture of it!
What's your favorite Memory Verse we've learned this year? Write it down and either draw a picture or write a paragraph saying why you like it.	Read for one hour. Record in your planner what book you read.	Interview a parent! Ask your mom, dad (or another adult relative) to tell you about what games/toys/activities they enjoyed when they were in the 3rd or 4th grade. Write down their responses.	Make a recipe with an adult and use measuring spoons and cups. Double the recipe, if possible! Take a picture of the recipe and the food!	Use Play-doh or Legos to make a creation. Take a picture of it or bring it to school.
Write a card to your pastor and/or Principal Weeks telling them why you think they are great!	Read aloud to a sibling or parent for at least 20 minutes. Talk about the book. Record in your planner what book it was.	Write out your spelling words using the color blue for all the consonants and red for all the vowels.	Practice your times tables for 20-30 minutes using flash cards or XtraMath.	Draw a picture of the layout of your bedroom. Pretend you are a designer and you have to redesign your room!
Read the first 3 chapters of one of the gospels (Matthew, Mark, Luke, or John). Write down a timeline of 4 important events in those chapters.	Find a magazine or newspaper. Circle all the proper nouns you can find. Underline all the verbs and put a star next to any verbs you've never heard of before! Take a picture of it or bring it to school.	Write a full page letter (skip lines) to a new student letting them know what to expect in the 3rd/4th grade. What tips do you have for them to have a great year? What things are harder than you expected? What do you enjoy most?	Find a tape measure and measure the height of all the furniture in your room (inches) and your living room. Then put them in order from greatest to least heights.	Do something active for 30 minutes! Watch an exercise video, play a sport, dance, or anything else that gets your heart pumping! Go! Record what you did in your planner.
Read a favorite story in the Bible. Write a summary of the story, why you like it and how you can apply it to your life.	Make a poster advertising a book of your choice. Or, create a diorama showing the setting/characters of a favorite book.	Find a magazine or newspaper article to read. Circle all the nouns & underline all the verbs.	Do Coding (from my website) for 20 minutes.	Spend at least 30 min helping a neighbor! Shovel snow, make & take a warm meal to them, offer to walk/feed pets, etc.
